<sup>3</sup> Source: Hong Kong Economic Journal. The awards are presented according to the judging criteria of Hong Kong Economic Journal in assessing the participating financial institutions' contribution to the development of Hong Kong's economy and the industry. The award evaluation is based on four major aspects, including (1) business performance and prospect of development, (2) innovation and creativity, (3) business strategy and (4) public recognition. The list of eligible candidates were judged in different aspects and shortlisted by industrial and commercial professionals, chambers of commerce, senior consultants and judging committees and the financial services enterprises with outstanding contribution were selected.

<sup>4</sup> Source: CAPITAL. Evaluated by CAPITAL according to its judging criteria – the votes were cast by Public Voting (50%) and CAPITAL Editorial Board (50%).
