- Source: Economic Digest. EDigest Brand Awards were evaluated by Economic Digest according to its judging criteria. After nomination on the brands, the shortlist was decided by Economic Digest, whereas final winners were selected by different professional judging committees based on the following criteria: (1) the brands in the industry or field are well recognized by the public and highly reputable, (2) the brands have excellent marketing and business development strategies, and (3) the brands launch innovative products and services integrated with digital technology and provide high-quality customer experience. EDigest Brand Awards – EDigest Outstanding Brand were granted to those firms which have received the EDigest Brand Awards for at least 5 times, or for at least 3 consecutive years.
- Source: CAPITAL. Evaluated by CAPITAL according to its judging criteria – the votes were cast by CAPITAL Editorial Board (50% of the votes) and Public Voting (50% of the votes).
- Source: Hong Kong Economic Journal. Evaluated by Hong Kong Economic Journal according to its judging criteria – the award evaluation is mainly based on a number of important aspects, including (1) business performance and prospect of development, (2) innovation and creativity, (3) business strategy and (4) public recognition. Eligible candidates were judged in different aspects and shortlisted by industrial and commercial professionals, chambers of commerce and judging committees. Companies with outstanding performance were selected.
